**I'll be glad to see the back of May.**

It was a month we had such high hopes for. There were five home games and coming on the back of the wins at Leigh and Hunslet I had to be hopeful of doubling our points total so far this season. But it all went pear-shaped. That's why I felt I had to step up and talk directly to you, the fans, after the York game. I had to say sorry. I felt for the people who had to sit there and watch another 80 minutes of garbage.

I think that Howard Cartwright and I are preparing the team the right way. The trouble is that the people who are taking the field don't look to the winner within them - they have not got the desire and the passion to become a winner. If they don't know how, then I can help them. They have got to be honest and come up to me and ask: 'What is a winner?'

A winner is someone who competes at all times and gives 100 per cent - too many of our players in recent games can't say that. People need to look in the mirror and see that they are just turning up.. We need a few more leaders out there on the park. I asked some people to

become leaders but I'm not sure they are capable of becoming leaders.

Other teams will see us as another two points because we're not consistent. I keep saying it but we have got to have a never say die attitude and keep going for the full 80 minutes.

The people we have at the Eagles are good enough to win the game - it's all about attitude. In any walk of life if you have a bit of desire to be something you should want to be the best and I'm not sure that we have the mentality here to take the next step. If they don't want to take that step it's time to move aside.

A lot of it is about confidence. The Whitehaven game knocked us off our feet, but the winner within will always fight back. Your hardest opponent is yourself. I say to the lads look after your own game and the game will look after itself.

I feel for the people associated with the Club but we have got to hang on in there. I do my job, I watch the video of the team we are going to play and draw up a tip sheet that says what they are going to do and I try to help the people who are playing for me. It may be that

what I am doing is too advanced for them - it might be?

Some clubs now will be easing off as the end of the season draws near - not me. we owe the fans a few good displays. It's a learning curve and the nice thing is that I'm looking to the future. It's not going to be a quick fix and it gets harder and harder, but it keeps me in a job!

WELCOME to Featherstone who gave us a right going over when they beat us 45-13 in February. They are one of the best teams we have faced this season. Young, strong and committed, so today is a chance for my lads to make a point. I want to see 80 minutes of effort, so get behind the lads and let's enjoy the Bank Holiday weekend in the right way.

I hope you have a good afternoon and I hope to see you all again on Sunday when we face Dewsbury Rams.

Yours

# Freddy's CUPPAGE

EEE-guls, Eee-guls, Eee-guls!

Hi kids, Freddy your mascot super star here again.

It's busy, busy time again - a Bank Holiday weekend, so this is our second match in four days.

That can put a strain on the playing staff if important players are injured and can't get fit in time.

Well I was thinking about that and told Mark that I'm ready to step in and to play if he's short and he needs a real superstar.

I know I have trouble catching the ball as I'm a bird but I know the position I would be best in - that's right a WINGER!!

I don't know if Mark will be

playing today but I hope so. Featherstone is the club he spent a season with back in the last century. Only one season mind you. He went off to Post Office Road and scored a lot of points for the Rovers. But we all know that Mark is a Eagle down to his little cotton socks and always will be. So he was soon winging his way back. Gary Hetherington emptied the piggy bank and held a raffle or two and raised the transfer fee and the bus fare and Mark was back at Don Valley.

It's going to be a tough game today. Featherstone are one of the top sides in the Northern Ford Premiership. But I think they could be in for a surprise. Don't forget to come

along and say Hello and shake a wing. It's always great to see you.

And whose going to win today?

Eee-guls, Eee-guls.

Have a good game and take care.

Freddy

# Today's Visitors Featherstone Rovers

**MICHAEL RHODES** *Full-back* Was brought over from Australia by the newly formed FRISA, who raise money solely to buy players for the club. Started his career as an Aussie rules player and only took up League six years ago when he played for Brisbane Norths. Has settled down well and developed into a good defensive and attacking player.

**MATT BRAMALL** *Winger or centre* An ever present last season after moving from Dewsbury. Improved as the season progressed running in many tries. Can make scoring chances out of nothing.

**IAN THOMPSON** *Winger* Hailing from the Hunslet area, he was snapped up by Wigan only to become a victim of the salary cap. Rovers were quick to step in for his signature. Fast and elusive.

**MARTIN LAW** *Centre* Won the "Man of Steel" award when with Wakefield Trinity. Another ever present last season with Featherstone, where his defensive qualities were much appreciated. Likes to give his winger every chance.

**JAMIE COVENTRY** *Stand-off or centre* Has had Super League experience with Castleford and Huddersfield. Has plenty of pace to add to his defensive qualities. Injuries interrupted his career last term. Now starting to show his true form.

**JAMIE STOKES** *Winger* Has already won International honours aged 17 with the GB Academy. A regular last season when he scored over 18 tries. Extreme pace, which he loves to use. A much improved player who can go far.

**ANTHONY SLATER** *Winger* Son of former Rovers favourite Tim who played at Wembley. Left Huddersfield Giants at the end of last season. He is looking to break into the senior side. Plenty of pace.

**MAEA DAVID** *Prop* At 26, is wanting to fulfil his great potential after injury. Has played for Illawarra, Hull Sharks and Bramley. Born of Samoan parents he hopes to make his mark for Featherstone.

**RICHARD GIBSON** *Stand-off* Signed for Rovers as a junior. Had a very bad back injury which interrupted his career. Thankfully now fully recovered he looks to be a very exciting prospect. Can fill either half-back positions and is a useful goal kicker.

**PADDY HANLEY** *Half-back* More used to the No. 7 jersey, but his eye for an opening and side step make him a tricky opponent. Suffered a broken arm in the first game of the season.

**JAMIE ROONEY** *Scrum-half* The find of the season. Started last year in the Alliance, where he carried all before him. His promotion to the senior ranks coincided with a turn round of form for the club. This young player must go far. In a little more than half a season, he easily became the leading points scorer with nine tries and 64 goals of which a number came from neatly taken drop goals. A brainy player.

**STUART DICKENS** *Prop* Although only 19, he is rapidly becoming one of the best in the business. A GB Academy International side had no hesitation in picking him. He rewarded them with outstanding displays. Also a good goal kicker scoring 37 bullseyes, although with limited opportunities with classic exponents as Rooney and Chapman in the side.

**ANDY HEPPINSTALL** *Hooker* Another local who burst upon the scene last season. Past master at his trade. Very quick about the field. Strong in defence. A quality distributor who also looks at home at loose forward. A more than useful goal kicker.

**MICKY CLARKSON** *Prop* Rovers have yet to see the best of Clarkson whose career has been hampered by injuries. Has a

tremendous workrate. Big things are expected of him.

**DANNY EVANS** *Second-row* Can fill any forward position with distinction. Strong and fast he always gives 100%. A loyal clubman, where he has become the third generation to play in Rovers colours. A born leader who loves to battle for his side.

**RICHARD CHAPMAN** *Loose-forward* Has had experience in the Super League with the Eagles. A lively character who can easily turn a game with his silky skills and unpredictability. Can also operate at hooker and kick goals.

**MATT LAMBERT** *Forward* Can fill any pack with credit. Coach Peter Roe has called upon him to lead the side this season. In his second spell with Featherstone whom he joined from Hunslet. Has also played at York. A good leader and fine player.

**STEVE DOOLER** *Loose-forward* One of the good crop of youngsters coming through the ranks. Came good last term after making the transition to the seniors.

**NEIL LOWE** *Second-row* Another youngster to have made an impact. Already a Scottish international. Very strong near the line and follows up well.

**ANDREW BASTOW** *Stand-off or loose forward* Signed from Wakefield Wildcats after just missing out on a Super League contract. A skilful ball handler with a sound defence. Played with Stanningley ARFC before turning professional. A talented player with a bright future.

**CRAIG BOOTH** *Forward* Started his career at Featherstone as a full-back. Moved on to London Broncos and also had experience at Oldham and York. Big and strong he is also an excellent goal kicker. Left York as their captain as well as leading try and goal scorer with 9 and 26 respectively. Could be a big bonus to the Rovers.

# View from the Board

I would like to welcome the officials, players and supporters of Featherstone Rovers to Don Valley Stadium this afternoon for our second home game of the Bank Holiday. Having now played all of the clubs in the Northern Ford Premiership at least once this season I would regard the Rovers and Kelghey as the two best teams we have met.

It is fair to say that Featherstone were not one of the biggest supporters of a reformed Sheffield team playing in the NFP this season.

Correspondence passed through the sports pages of the Yorkshire Post on the matter but upon our successful acceptance in December their chairman Richard Evans was amongst the first to congratulate us and wish us well. In fact when the official RFL minutes of the December Council meeting came through to the Club it was somewhat surprising to see that Richard had seconded Swinton's proposal to allow us into the league, a fact which Richard denied when I met up with him at Murrayfield.

Featherstone have had a reasonably successful season to date and it has been good to see them bleeding a lot of youngsters. It was particularly good to see them knocking over the Dragons last weekend and we wish them well in their battle to reach the top four.

I would like to thank all of the fans that made the short trip to Batley last Sunday. The noise you made was tremendous and the reception given to the players as

they came off the pitch was fabulous. After the three disappointing home matches it was good to see everyone continuing to support the team. It's just a shame that we can't create the same atmosphere at home. The team seems to play better away from home and I think that this is in no small part due to the reception that they are given by our vocal following. Let's hope that plenty of you make the even shorter trip to Doncaster in a fortnight's time and help to bring the South Yorkshire Challenge Trophy back to Sheffield.

It was also good to see Gamma in the crowd at Mount Pleasant (and in the bar afterwards) and hopefully he will have made the promised trip down to Sheffield this afternoon. Past players of the old Eagles are always welcome at Don Valley and I'm sure many of you enjoyed seeing Hughie Waddell down here for the Whitehaven game.

Good luck to the lads today and let's hope that we can get on an end of season roll ready for next week's visit of the table topping Rams and to remind a few more people why Sheffield deserves its own rugby league team.

Enjoy this afternoon's match.

# EAGLES SHEFFIELD **BIG NEWS**

**It's been a disappointing May at times but one bright point has been the return of Michael Jackson. Michael is hoping that he has beaten his injury hoodoo and can give the Club a late season boost.**

Former Great Britain second-row made a surprise return for the Eagles against Whitehaven - his first action since breaking down in January. He played most of the second-half and thrilled the fans with a couple of old-style Jacko breaks which gained valuable metres. And he was back in action in the Rochdale game.

The big question now is how his problem right knee will hold-up. After each of those games it was back to the treatment table. But thanks to physio, Alan Tomlinson, Jacko has been able to train later in the week. Michael said: "I'm feeling quite good actually. I was just glad to get through the 30 minutes of play. I knew there would be some reaction. The only way I'm going to find out if my knee is going to hold up is by going round the field. The real test is to see how it recovers and if there is any swelling or anything round the knee. I feel a bit better for playing."

Jackson, who played in the old Eagles' 1998 Challenge Cup final win, was one of

Mark Aston's key signings, when the Club was relaunched in the Northern Ford Premiership. He is one of the quality forwards in the Premiership with an ability to exploit any opportunity. But after missing 15 games there were fears he would not play again this season.

"I am booked in for an operation in June so I'm hoping to get as many games in as I can and you never know, if things start

going well for me then I might put the operation back," added Michael. "It's just a matter of getting on the field and trying to make an impact. Coming off the bench if there's a few tired bodies out there, you've got to get involved and try to do as much as you can and help the guys and if you are making the odd hard burst it might just give the team a lift and hopefully they will follow in your steps."

## BATLEY BULLDOGS

### FACTFILE

**Batley** 14  
**Eagles** 21  
Mount Pleasant  
Sunday 21 May

**Batley:** Lingard, Borgeate, Jackson, Simpson, Gleadhill, Price, Gary Barnett, Luckwell, Clarke, McWilliam, Hicks, Miers, Flynn. Subs: Steve Barnett, Walton, Moxon, Padgett.

**Eagles:** Walker, Wray, Goddard, Kite, Ian Brown, Gavin Brown, Robinson, Wittenberg, Vassilakopoulos, Bruce, Wayne Freeman, Morley, Larder. Subs: Johnson, Glen Freeman, Wright, Thompson.

**Scorers:** Batley - Tries: Lingard (3), Flynn (1). Goals: Price 3. Eagles - Tries: Goddard (16), Gavin Brown (39 and 49), Wright (53). Goals: Gavin Brown 2, Robinson 1dp.

**Eagles' top tacklers:** Wittenberg 33, Vassilakopoulos 32, Larder 28, Wayne Freeman 27.

**Referee:** Peter Taberner (Wigan).

**Attendance:** 513.

THE Eagles staged a great comeback to beat Batley Bulldogs 21-14 and avenge the defeat earlier in the season.

No one was more happy with the result than stand-off Gavin Brown who scored two tries.

In January the Bulldogs beat the Eagles 22-12 at Don Valley and Brown ended the night in hospital with a broken jaw. Yesterday the stand-off scored two tries and kicked two goals as the Eagles staged a great comeback to send Batley down to their eighth defeat in a row.

"It was good for the lads and me personally to get one over Batley," said Brown. "I was up for it and it was nice to get two tries."

Brown's tries came at a crucial point in the game - to send the Eagles in only four points down at half-time and then to level the scores as they powered towards the win.

Playing down the famous Mount Pleasant slope in the second half the Eagles' bossed by skipper and scrum-half Chris Robinson, denied the Bulldogs a score and took control.

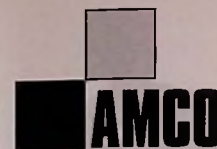

The Eagles went a try down after only three minutes as full-back Craig Lingard, ran 90 metres to score. Former Eagles stand-off Richard Price added the goal and a second after another former Don Valley favourite, Wayne Flynn, was on hand to finish a passing move for a try on 11 minutes.

But with prop Jeff Wittenberg and second-row Chris Morley putting in power runs, the Eagles dragged themselves back. On 16 minutes a break by Morley set up Gavin Brown for his inside pass to send in Richard Goddard to pull four points back.

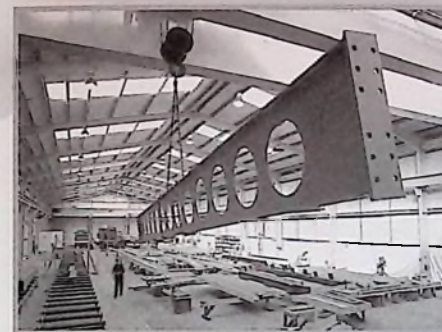

Price extended the Bulldogs' lead with a penalty, but it was the last points they would score. On 39 minutes Robinson kicked on the final tackle for a gleeful Gavin Brown to pounce on the ball under the posts. Brown added the kick to send the Eagles in 14-10 down but looking the stronger side.

The second half belonged to the Eagles. Ian Brown was just held short of the try line after a 70 metre break before, on 49 minutes, he knocked down a 'bomb' for Gavin Brown to collect and chip ahead before touching down to level the scores as the referee ignored pleas that the ball had gone forward.

Ricky Wright used his power from acting half-back to roll out of a tackle and put the Eagles ahead on 53 minutes with Brown adding the goal. Robinson added to the comfort zone with a field goal with eight minutes to go and Steve Walker looked to have celebrated his return to Mount Pleasant when he crossed on 78 minutes but was pulled back for a knock on.

# Pressing a Point

by James Collins from *The Star*

**I WANT you to start looking back.**

Not too far, just to 28th December, 1999, when the Eagles began life in the Northern Ford at a rather chilly Lancashire Lynx. It's time, I think, that in the programme the fans pass their verdict on the season which is coming to an end.

Time to highlight those moments and players that you will remember. You can write in about anything to do with the Club this year but I would suggest three questions:

- Who has been your outstanding Eagles player and why?
- The high point of the season? It could be game or a single try or incident.
- The worst moment of the season? (I bet we can all guess what that was).

I'll put your comments together and as many as possible will be printed in the programmes before the end of the season. It's a fans' soapbox for the real fans of Sheffield Eagles. Send your comments to me at Sheffield Eagles Programme Soapbox, Sheffield Eagles, Don Valley Stadium, Worksop Road, Sheffield S9 3TL, or by email at james.collins@rim.co.uk.

**Start making your plans now for the autumn.** The Lincoln World Cup is heading our way and with it another small but just as exciting event, the Emerging Nations Rugby League World Championship.

The six sides - BARLA British and Ireland Lions, Italy, Morocco, USA, Canada and Japan - will be mainly drawn from the amateurs, but there will be a few seasoned professional including the Eagles' Marcus Vassilakopoulos.

Vassi will be linking up for the US thanks to an American born grandfather. The US side is one of the favourites and their clash with Italy, who include former Aussie star Greg Florimo, now playing for Super League club Halifax, will be one of the games of the tournament. I hope quite a few Eagles fans will turn out to support Vassi.

So start marking off a few dates in your diary. The teams are being split into two groups for the first stage of the competition with the two in each group going into a play-off before the final at Rochdale's Spotland Stadium on 20th November.

First round game:  
 Monday 13th November - BARLA v Morocco (Featherstone).  
 USA v Canada (Oxford).  
 Wednesday 15th November: Japan v Morocco (Hull), Canada v Italy

(Keighley). Friday 17th November: BARLA v Japan (Whitehaven), USA v Italy (Halifax).

**REMEMBER Radio** (only some sports covered) Sheffield? With the soccer season over I thought we might have had visit from our 'local' station. Still no sign of them.

Well if you want to make your opinion known as a BBC licence fee payer on the situation, put your views to: The Station Manager, Radio Sheffield, 60 Welbourne Road, Sheffield S10 2QU. E-mail radio.sheffield@bbc.co.uk
